THE YOGA OF DEVOTION

QUIZ FOR CLASS SIX

1. What request does Arjuna make of Krishna at the beginning of this chapter? Speculate a bit as to why he would make such a request.

2. After having the remarkable epiphany, Arjuna begs Krishna to revert back to His previous, and really deceptive, form. Krishna agrees, telling Arjuna to "be again free from fear, with your mind filled with love." What statement is the Gita making here about how and why the Divine appears in our world in seemingly "ordinary" forms?

3. Lord Krishna says that the revelation Arjuna has had is not brought about through study of sacred texts, austerities, gift-giving, or sacrifices. What is the cause for having such a transformative vision of the Divine occur in one's life according to Lord Krishna?
