QUIZ FOR CLASS ONE

Using your dictionary, grammar books, etc., first transliterate and then translate the following verses from the Ratnavali.

नास्म्यहं न भविष्यामि न मेऽस्ति न भविष्यति।

इति बालस्य संत्रासः पण्डितस्य भयक्षयः ॥ २६ ॥

“I am not, I will not be. There is no ‘mine,’ and there will not be.”
This is the terror of the immature and the terminator of fear among the learned.
