Quiz, Class Five: Death and Realized Beings

1) Quote the famous verse from the *Commentary on the Latter Part* which describes how realized beings (aryas, or those who have seen emptiness directly) relate to death. (Tibetan and Sanskrit tracks, entire verse as well.)

2) In his description of how to attain the rainbow body, especially at death, Je Tsongkapa (1357-1419) explains that something else must come before. Name this thing.

3) Can a person be free of ever again taking birth through the power of karma and mental afflictions, and yet still possess a mental affliction?
